

# ShopSphere Loyalty Program

Fictional knowledge-base document created for the ShopSphere AI Data Analyst/RAG academic project. This document is synthetic and should not be treated as a real company policy.

## 1. Program Overview

The ShopSphere Loyalty Program is designed to encourage repeat engagement by providing eligible customers with rewards and benefits.

## 2. Eligibility

Eligibility and enrollment conditions may depend on the current program rules. Customers should review the account portal for their current status and available benefits.

## 3. Rewards

Eligible purchases or activities may contribute to rewards according to the program rules. Reward values and qualifying activities may change over time.

## 4. Membership Benefits

Benefits may include selected discounts, promotional offers, early access, or other customer benefits. Benefits are subject to availability and applicable terms.

## 5. Expiration

Some rewards may have expiration conditions. Customers should review the reward details displayed in their account.

## 6. Responsible Use

Loyalty benefits are intended for the enrolled customer and must be used according to the program terms. Fraudulent or abusive activity may result in review or removal of benefits.

## 7. Customer Support

Questions about missing rewards, eligibility, or account status can be submitted through customer support with the relevant account information.
